TELL US MORE

Congressman Thomas Burch, who
is reportedly eyeing the next Demo-
cratic nomination for the govern-
ment, has come forward with a
suggestion which would have the
state pay the school teachers in
Virginia, with facilities, facilities,
ing maintenance of the school
properties.
Undoubtedly, the time will come
when the state will take over the
schools, just as it took over the
roads, and the schools will be under
an official similar to the resident
highway engineer. And, undoubtedly
why this idea came about, it will
operate as efficiently as the road
system does now.
However, it is not enough to
merely suggest such a plan. One
of operation, in order for it to get
backing, methods of finance, plan
of teacher appointment and qual-
ification, standards, length of term
etc., must all be carefully worked
out by the sponsor.
And, the matter goes deeper even
than that. With the roads and
the counties there will obviously be
no state set up to take over the
need to retain the present plan.
It seems to us that such a plan
of administrative control of the
counties. For example, one
county three or four average sized
counties. If you keep the present
local administrative set up, then
it will be to retain the local
functions. We would like to hear
more of Mr. Burch's plan.

Keep a Good Laxative
always in your home
Among the necessities of home is
a good, reliable laxative. Don't be
without one! Do your best to pre-
vent constipation. Don't neglect it
when you feel any of its disagree-
able symptoms coming on. . . . We
have used Thacker's Black-Draught
for 21 years and have found it a
very useful medicine that every
family ought to have in their home.
Writes Mrs. Perry Hicks, of Belton,
Texas, "I like Black-Draught for
biliousness, constipation and other
ills where a good laxative or purga-
tive is needed. I have always found
Black-Draught gives good results."
Sold in 25-cent packages.
